

Art.Nr. 280 1162 S

Technical drawing of a cross-section of a concrete slab with a steel reinforcement bar. The drawing shows a concrete slab with a steel bar embedded in it. The bar is labeled with dimensions: 40 (height of the concrete above the bar), 34~64 (height of the concrete below the bar), and 24 (height of the concrete below the bar). The bar is labeled with a diameter of 12. The drawing is labeled with a reference level: +0,000 (FFB). A note at the bottom left says 'Hinweis:'.

← Warm /hot

Technical drawing of a vertical lamp, showing two views: a front view (left) and a side view (right).

Front View Dimensions:

- Total height: 720
- Top width: 221
- Base diameter: $\varnothing 120$
- Base height: 40

Side View Dimensions:

- Total height: 1036
- Pole height: 713
- Base height: 767
- Base mounting holes: $2 \times 1/2"$
